

# Western Area of Missouri Presents: Institutions Weekend 2011

**Saturday, May 7, 2011**

Local host – DISTRICT 2

To be held at the  
**Savannah Avenue Baptist Church**  
1825 Savannah Ave, St Joseph MO 64505

*Each year the Western Area of Missouri (Area 39) presents "Institutions Weekend". This year the Western Area Corrections Committee hosts the event.*

*The purpose of this event is two-fold. First, it gives the AA's in our area an opportunity to visit and discuss matters of importance relating to correctional and treatment facilities with professionals. In doing so, we get a better idea of how we can cooperate with the professional community to help the still suffering alcoholic.*

*Our second purpose is to help provide the base funding for the work done throughout the Area by the Treatment & Corrections Committees.*
