

Western Area of Missouri
Institutions Weekend
Saturday, May 1, 2010

8am - 4pm

COOK'S KETTLE

1715 N. Boonville • Springfield, MO 65803

Each year, the Western Area of Missouri (Area 39) presents 'Institutions Weekend.' This year, District 14 is hosting the event. The purpose of this event is to give the AA's in our area an opportunity to visit and discuss matters of importance relating to Correctional & Treatment Facilities with professionals. In doing so, we get a better idea of how we can cooperate with the professional community to help the still suffering alcoholic. Any proceeds will go to carry the message to the still suffering alcoholics.

Communication between our professional panel members & AA panel members is vital to make this a successful event.
